- Breeder guarantees the puppy described in the contract is in good health at the time of transfer. The Breeder strongly advises that the puppy be examined by a licensed veterinarian within 72 hours of transfer. If the Purchaser furnishes the Breeder with a veterinary certificate indicating the puppy is unfit for placement within 72 hours, the Purchaser can return the puppy to the Breeder along with AKC registration. Breeder's warranty is limited to a replacement puppy and agrees to replace the puppy with one of equivalent quality from the next available litter. **Failure to notify Breeder of any illness within 72 hours will void this warranty.** *ALL veterinary and shipping expenses will be the responsibility of the Purchaser.*
- Chosen puppy will be sold with **LIMITED AKC REGISTRATION.** This puppy is considered to be within all breed standards but may not be used for breeding and is not eligible for conformation events at AKC shows. The puppy is eligible for AKC obedience, agility, rally, tracking, and Canine Good Citizen.
- The Breeder does not guarantee the temperament of this Great Dane past the initial 72 hour period because it is the responsibility of the new owner to properly socialize and train the puppy.
- The Breeder does not guarantee the ears to stand if owner chooses to crop the ears.
- The Breeder guarantees the sire and dam are both free of hip dysplasia, and guarantees the puppy to be free of hip dysplasia until the age of 24 months. If the dog is diagnosed by the OFA to have hip dysplasia during the first 24 months, the Breeder, N2Spots Great Danes, will replace the dog at no charge (with the exception of shipping) from the next available litter. *ALL shipping costs and OFA diagnosis charges will be the responsibility of the Purchaser.*
